recommended requisite

Required classes for all math dept majors

Requisite structure for UCLA Mathematics Classes (Upper Division) as of 2023-2024 Academic Year

Grey arrow:
requisite, enforced requisite

Blue arrow: recommended requisite

*Most classes assume that you have finished the prereqs for each prereq of the class even though it may not be specified here (e.g. 170B requires 131A, which is a prereq for 170A, which is a prereq for 170B)
